DOCKET NO. 1997-439-T - ORDER NO. 2006-383
JUNE 16, 2006

IN RE: Application of John P. McClain d/b/a Island Moving & Storage, 123 Brady Street, Daniel Island, South Carolina 29492 (District 6) for a Class E (Household Goods) Certificate of Public Convenience and Necessity.) ORDER SUSPENDING) CERTIFICATE)))

This matter comes before the Public Service Commission of South Carolina (the Commission) on the Renewed Motion for Immediate Suspension of the Class E Certificate of Public Convenience and Necessity of John P. McClain d/b/a Island Moving, filed by the Office of Regulatory Staff (ORS).

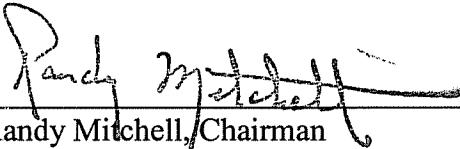

At the previous two Commission meetings, this Commission denied the ORS' requests to immediately suspend the Certificates of carriers for lack of filing proof of insurance. These denials were based on the absence of the submission of evidence that would support a finding of an emergency, pursuant to S.C. Code Ann. Section 1-23-370 (Revised 2005). ORS has now provided an affidavit demonstrating that the insurance for this carrier has expired. Therefore, we hold that this carrier operating with no insurance constitutes an emergency and requires us to immediately suspend this carrier's Certificate granted in Docket No. 1997-439-T in order to protect the public safety. This suspension will remain in effect until a hearing is held and a final determination can be made as to whether the Certificate in question should be permanently revoked.
